

Sign your child up for some fantastic enrichment programs taught by our wonderful AOLG Teachers!

Have your child strengthen their muscles during Sports Time! They can activate their imaginations with Legos and Play-Doh. Get their brains warmed up and better their skills at Math Strategies and Reading & Phonics. They'll love getting their hands moving at Arts & Crafts, and they can make friends while they learn strategies and have fun with Board Games, Chess, and iPads! They'll want to start cooking for you after they learn about Kitchen Science!
