Mark Gobo Scholarship

Dear Scholarship Applicant,

We are pleased you are interested in the Mark Gobo Scholarship. This scholarship has been established to provide financial assistance to students who lead a good Christian life focused on knowledge, character and enthusiasm.

There wasn't anything Mark Gobo put his mind to that he couldn't accomplish. He was a tugboat captain who could do carpentry, electrical work and plumbing. If he wanted to do it, he did! Some people say Mark was a character, and he was. However, Mark had something for which we all strive. He had character which showed how he lived especially through his actions in the OLG community.

Through life's trials and tribulations, Mark's enthusiasm remained and was contagious. If he had something, and you wanted it, he would give it to you. If he didn't have it, he would get it for you; and if he couldn't get it, he would make it for you.

"I mean, they say you die twice. Once when you stop breathing and a second time, a bit later on, when somebody says your name for the last time."

-Bansky

Through this scholarship, we hope to help others as Mark did and also keep his name and memory alive. There will be a total of four (4) scholarships awarded. The decision as to which applicants will be selected is determined exclusively from data submitted in the application. Therefore, it is very important that you carefully read the "Instructions" and "Requirements" which follow, and that your answers be complete, accurate and responsive.

These scholarships will be awarded in the amount of \$1,000 each and are to be used for tuition expenses.

The attached application (including the listed requirements) must be submitted for consideration.

The Scholarship Committee will have the sole responsibility for selecting the recipients for the scholarship awards.
