The Youth Group's Legally Blonde the Musical  
by Amira Walcott

The church's youth group puts on a play for the community every year. This year, they performed Legally Blonde. For those of you who didn't see it, it's about a girl named Elle Woods who goes to Harvard Law School to follow a boy she loves but learns she actually has a passion for justice herself. It was full of exciting dance numbers and a meaningful message for all audiences. This year was a major year for our 6 seniors in the youth group who will be graduating high school this year. They've been a part of the youth group since middle school so they'll be missed dearly next year. It was an overall hit, and everyone loved it.

**The Spooktacular Wall and Door Contest**  
by: **Kenzoe Yalong**

The Academy of Our Lady of Grace had its annual door and wall contest for the month of October.

Each class decorated its classroom doors with some fun and exciting things to see such as spiders, webs, pumpkins, scarecrows and so much more.

The hallway walls represented the students' work. They did a fantastic job displaying all their hard efforts. Everyone enjoyed walking around the building seeing amazing pieces from each student.

***The Halloween Dance***

***By: Azriela Quiles***

*On Saturday, October 28, fifth through eighth grades had its annual Halloween dance. The Youth Group also created its haunted hallway. It was the scariest one yet. The dance included a DJ, and many students enjoyed dancing with their friends. Also, a costume contest was held for all students to participate. Cleber in the 8<sup>th</sup> grade won first place, as well as Amira, an 8<sup>th</sup> grader, won second place. The AOLG Halloween dance was a huge success.*

The Halloween dance for 5th through 8th grade was a spooktacular evening! All the kids were playing, dancing, and singing when "Help Me Help You" by Logan Paul came on. The haunted house was a big hit and the food there was awesome! The best part of the dance was that everyone enjoyed being with their friends! It was indeed a "bootiful" evening.

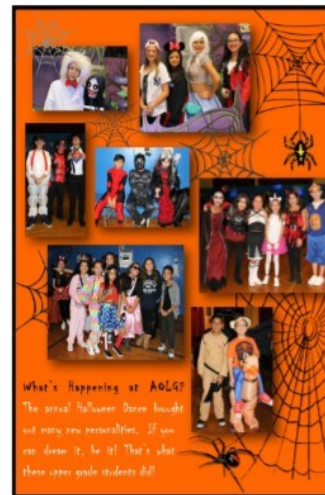

Breast Cancer  
Awareness Month

By Zane Gwynn

October is National Breast Cancer Awareness Month! It is a month dedicated to the education of this disease and for fund raising to research a cure. In the U.S. breast cancer will affect approximately one in eight women in their lifetimes. That is why bringing awareness to this disease is so important. Pink is the color that represents breast cancer. Many companies make their products in pink this month and a portion of their proceeds get donated. There are different ways to show your support. For instance, create our own fundraiser, volunteer your time, or participate in a fundraising walk or run. Do whatever you can. Every little bit helps.
