Dear Parents,

**“...and grace will lead you home.”**

We are called people of the promise and people of faith. God is offering us not only a new life, but an explanation and example of God’s peace, love and mercy in our hearts. We’re also asked to spread the message by what we think, do and say. Basically, we’re called to imitate Jesus. Because Jesus was misunderstood and crucified got teaching and showing a new way we know we won’t always be popular or befriended. One thing for sure is that Jesus doesn’t abandon those who are his followers. He gives us the grace and virtues to walk in God’s ways. That’s why God’s grace will lead you home.

Fr. Peter
